Tag #	Title	Tag Text	MET	NOT MET
0001	Establishment of the Emergency Program (EP)	The emergency preparedness program must include, but not be limited to, the following elements:		
0002	Establishment of the EP Program Transplant	Condition of participation: Emergency preparedness for transplant centers. A transplant center must be included in the emergency preparedness planning and the emergency preparedness program for the hospital in which it is located. However, a transplant center is not individually responsible for the emergency preparedness requirements.		
0005	Transplant EP Policies included in Hospital	A transplant center must have policies and procedures that address emergency preparedness. These policies and procedures must be included in the hospital's emergency preparedness program.		
0012	Transplant EP Policies included in Hospital	A transplant center must develop and maintain mutually agreed upon protocols that address the duties and responsibilities of the transplant center, the hospital in which the transplant center is operated, and the OPO designated by the Secretary, unless the hospital has an approved waiver to work with another OPO, during an emergency.		
0014	Hospital and OPO Mutual Policies	A transplant center must develop and maintain mutually agreed upon protocols that address the duties and responsibilities of the transplant center, the hospital in which the transplant center is operated, and the OPO designated by the Secretary, unless the hospital has an approved waiver to work with another OPO, during an emergency.		
0043	Transplant Mutual Policies	(g) Transplant hospitals. If a hospital has one or more transplant centers:  (1) A representative from each transplant center must be included in the development and maintenance of the hospital's emergency preparedness program; and  (2) The hospital must develop and maintain mutually agreed upon protocols that address the duties and responsibilities of the hospital, each transplant center, and the OPO for the DSA where the hospital is situated, unless the hospital has been granted a waiver to work with another OPO, during an emergency.
