SOUTH DAKOTA BOARD OF NURSING

IN THE MATTER OF THE REGISTRATION PROCEEDINGS

RE: CARLY RAPER, UMA,
    Registration No. M006356,
    Registrant.

DOH 18-12

FINDINGS OF FACT AND CONCLUSIONS OF LAW

The South Dakota Board of Nursing ("Board") noticed a contested case hearing in the above registration proceedings, specifically for the Complaint and Notice of Hearing dated October 5, 2018, to be held at the offices of the South Dakota Board of Nursing located at 4305 South Louise Avenue, Suite 201, Sioux Falls, South Dakota on November 15, 2018, at 9:15 a.m.

The South Dakota Board of Nursing presided over the proceedings, along with Administrative Law Judge Catherine Duenwald. Registrant, Carly Raper, despite being served with the Complaint and Notice of Hearing at her last known address on file with the Board, did not appear in person to present evidence on her behalf or to confront witnesses. Board attorney Michele Munson presented evidence to the Board on the Complaint. The proceeding was transcribed by a court reporter. At the hearing, the Board considered the testimony from the Board's witness, exhibits offered during the hearing, as well as the entire record before the Board.

Pursuant to SDCL 1-26-25, the Board issues its final decision in writing through these personal and confidential Findings of Fact and Conclusions of Law set forth separately from its public Order issued pursuant to these Findings of Fact and Conclusions of Law.
Findings of Fact and Conclusions of Law
Carley Raper, UMA

Being charged with the statutory obligation to protect the public health, safety and
welfare set forth in ARSD 20:48:04:01, et al., including the protection of the public from unsafe
UMA practices and registrants, the Board hereby makes the following:

**FINDINGS OF FACT**

1. Carley Raper is registered to practice as an unlicensed medication aide in the
State of South Dakota and holds registration number M006356.
2. The Board received a complaint that Registrant had been convicted of a felony,
Driving Under the Influence Third Offense.
3. The Board confirmed that Registrant, on March 1, 2018, pled guilty to a felony of
Driving Under the Influence Third Offense. Registrant received a sentence with terms and
conditions as outlined in the South Dakota Unified Judicial System record search report.
4. The Board has made multiple attempts to contact the Registrant in regard to this
criminal history. The Board has received no response from the Registrant.

From the foregoing findings of fact, the Board draws the following:

**CONCLUSIONS OF LAW**

1. That the Board has jurisdiction and authority over this matter pursuant to ARSD
20:48:04:01.
2. Under SDCL 36-9-49(2), the Board of Nursing may revoke a license or certificate
upon proof that the applicant, licensee or certificate holder has been convicted of a felony.
3. The Board concludes that the Registrant violated standards expected of a UMA by
being convicted of a felony and failing to cooperate in the investigation of the complaint
received by the Board and otherwise failing to appear at the hearing before the Board on the
Complaint.
4. The South Dakota Board of Nursing, at the hearing on the 15th day of November, 2018, by a vote of 8-0, ordered the Revocation of Registrant's Unlicensed Medication Aide (UMA) and for Carly Raper to be removed from the registry effective immediately.

5. The Board concludes that an order should be entered, based on the above Findings of Fact and Conclusions of Law, that the Registrant's registration to practice as a UMA (unlicensed medication aide) is hereby indefinitely revoked. The Registrant shall not, during this revocation, hold herself out as a UMA. The Registrant may petition for registry status of her UMA registration upon a showing of good cause why UMA registry status should be granted.

Dated this 21st day of November, 2018.
