

WHEREAS, based upon the affidavit of Francie Miller and the above stated conduct, the Board has concluded that Licensee's actions require emergency action, in that Licensee's actions may endanger the health and safety of those who are, or will be, entrusted to her care in the future; and

WHEREAS, the Board, has a statutory obligation to protect the health, safety and welfare set forth in SDCL §36-9, including the protection of the public from unsafe nursing practices and practitioners.

NOW THEREFORE IT IS HEREBY ORDERED:

1. That the Board has jurisdiction over the Licensee and the subject matter of this Order.
2. That based on the above, the Board specifically finds that the actions of the Licensee endanger the public health, safety and welfare, and imperatively require emergency action in that Licensee may endanger the health and safety of those persons who are or will be entrusted to her care and that these are matters of a nature that would constitute further grounds for discipline of her license to practice nursing under SDCL § 36-9-49 (5), (7) and (10).
3. Based upon these findings, Licensee's license to practice nursing in South Dakota is hereby summarily suspended. Licensee may petition according to SDCL § 36-9-57 for reinstatement of her license at any time for "good cause."
4. Licensee is hereby notified that any practice of or holding herself out as a practical nurse during the terms of this Order of Summary Suspension is a violation of SDCL § 36-9-68.

5. This action is reportable discipline and will be published in the Board's newsletter and posted on its web site and reported into the National Practitioner Data Bank (NPDB) as required by law.

The South Board of Nursing met on the 19th day of April, 2018, and approved this Order of Summary Suspension as written by a vote of 7-0 and issues its Order of Summary Suspension consistent herein as follows:

IT IS HEREBY ORDERED that the above is adopted as an Order of the South Dakota Board of Nursing this 11th day of June, 2018.
