

**SOUTH DAKOTA**  
Center for Nursing Workforce  
**2021 Symposium**

**Tuesday, May 18, 1-5 pm (CST) | Via Zoom**

Join us to learn about South Dakota's current nursing workforce and to virtually network with other stakeholders on nursing education, practice, and regulatory strategies to strengthen South Dakota's workforce.

Register now to participate in a small discussion group. The group sessions will offer you an opportunity to apply information learned about South Dakota's nursing workforce, share your experiences, and to co-create strategies to ensure South Dakota is prepared to meet our current and future workforce needs.

---

### **Activity Learning Outcomes**

Participants will be able to:

1. Identify current South Dakota Trends in nursing workforce supply including characteristics of LPN, RN, and APRN populations.
2. Compare the differences between South Dakota's nursing education programs preparing LPNs, RNs, and APRNs.
3. Analyze nursing workforce data and formulate recommendations to strengthen South Dakota's nursing workforce.
