Fight the Bite!
Reduce YOUR risk from West Nile Virus

PROTECT YOURSELF
• Avoid being outdoors at dusk and dawn
• Cover as much skin as possible with loose-fitting clothing
• Use insect repellents containing DEET or Picaridin
• Remove standing water
• Replace damaged window screens

TO LEARN MORE
• On the Web, visit http://WestNile.sd.gov or http://sdces.sdstate.edu/westnile
• Call the Health Department at 1-800-592-1861 or your local county Extension office
