Warning Signs

- Threatening to hurt or kill oneself
- Seeking access to means to harm self
- Talking, writing or posting on social media about death, dying or suicide
- Feeling hopeless
- Feeling worthless or feeling a lack of purpose
- Acting recklessly or engaging in risky activities
- Feeling trapped
- Increasing alcohol or drug use
- Withdrawing from family, friends or society
- Demonstrating rage and anger or seeking revenge
- Dramatic changes in mood

If you feel someone may be suicidal...

- Let the person know you are concerned and willing to help
- Discuss your observations with the person
- Ask questions without dread
- Refrain from expressing negative judgment
- Appear confident, as this can be reassuring
- Be comfortable with asking: “Are you having thoughts of suicide?” “Are you thinking about killing yourself?”
