WHAT: Complete a short survey to help us understand and address the health needs of women, children and youth including those with special health care needs, and their families

WHO: All South Dakotans

WHY: The data being collected is not research, rather findings from the survey will inform long-term planning and programming for the Department of Health Office of Child and Family Services (OCFS) programs to better support the health needs of South Dakota women, children and youth including those with special health care needs and their families.

HOW: Go to <https://doh.sd.gov/topics/maternal-child-health/maternal-child-health-needs-assessment/> or scan the QR code on the left to complete the survey. If you would like to receive a paper version of the survey, please email DOHMCHBG@state.sd.us or call 605-773-3361
