**WHAT: Board Policy Statement # 23-09-14**

**WHY: ON NOVEMBER 1, 2023, USP<795>, USP <797>, USP <800>, AND USP <825> CHAPTERS WILL BE UPDATED AND ENFORCEABLE.**

**INTRODUCTION:**

Currently, our administrative rules of South Dakota, ARSD 20:51:31, call on specific USP <797> regulations to be followed for sterile compounding using the 2008 USP <797> chapter.

USP has published new chapters for USP <795> Pharmaceutical Compounding – Nonsterile Preparations, USP <797> > Pharmaceutical Compounding – Sterile Preparations, USP <800> Hazardous Drugs – Handling in Healthcare Settings, and USP <825> Radiopharmaceuticals – Preparation, Compounding, Dispensing, and Repackaging. These new chapters which were published on November 1, 2022, will be enforceable on November 1, 2023.

**GUIDELINES:**

The board expects pharmacies to adhere to all applicable new chapters outlined in USP <795>, USP <797>, USP <800>, and USP <825> published in 2022 in your pharmacy practice setting.

Until the rules can be updated this policy statement shall serve in the interim to enforce the new USP chapters outlined above for compounding of medications in South Dakota.

The new USP chapters require an online subscription to USP. The link: <https://online.uspnf.com/uspnf> can be utilized to create an account and to access the full USP Compounding Compendium Chapters.
