

Laboratory (Facility) Attestation for Electronic Laboratory Report (ELR) Go-Live

For labs (facilities) that send reporting information electronically

To move to full production for the electronic laboratory reports (ELR) being submitted to the South Dakota Department of Health (SDDOH), your laboratory (facility) needs to attest that all required electronic laboratory reports (ELR) are being submitted in compliance with [SDCL § 34-22-12](#) and [ARSD 44:20](#), which authorize SDDOH to collect and process mandatory reports of communicable diseases.

Please have the ELR implementation coordinator, project manager, or other authorizing official for this project check the box and complete the information below.

☐ I attest on behalf of the laboratory (facility) that laboratory test results reportable to the South Dakota Department of Health meet the requirements set forth in [SDCL § 34-22-12](#) and [ARSD 44:20](#).
