# Non-Resident (Out-of-State) Pharmacies

Link - License Information & Applications

### **Renewal Schedule and Fees**

- All nonresident (out-of-state) pharmacy licenses expire June 30<sup>th</sup> each year. There is no grace period.
- Online renewal application is available 60 days prior to license expiration date. Renewal fee is \$200.
- All fees are nonrefundable including duplicate application submission
- Application does not automatically renew upon submission. Each renewal undergoes a multiple tier review.

### **Notify Board of a Change**

- For entity change of name, in-state address, closure, or license surrender, submit a Resident & Nonresident Change Notification form (Notification Form).
- If entity moves to another state, current license is surrendered, and a completely new application and fee must be submitted.
- To verify a requested change has been processed, use board license verification site.

## Pharmacist-In-Charge (PIC) Change

- Outgoing PIC must notify board immediately upon knowledge of termination/change of employment. Send notice to (pharmacyboard@state.sd.us).
- A pharmacist-in-charge transfer/change form must be submitted within 10 days (Pharmacist in Charge Change Form).
- A pharmacist-in-charge of a nonresident pharmacy does not need to be licensed in the state of South Dakota.

## Change of Officer/Director/Managing Member/Partner

- The board requires the reporting of officers, partners, directors, and managing members, at initial and renewal application.
- Licensee is not required to inform board of changes that occur outside these times.

# **Change of Ownership Guidance (CHOW)**

- If entity ownership changes at the parent level or below by 50% or more by any method, a CHOW application must be completed.
- If entity ownership changes at the grandparent level or above (indirect change), board does not need to be notified.
- If entity moves to another state, a completely "new" application must be initiated in this circumstance and the existing license surrendered to the board.
- If there is a name change, home state license must show new name
- If there is an address change, inspection must be for the new location/address
- To complete a CHOW application, click (<a href="https://sdbop.igovsolution.net/online/User\_login.aspx">https://sdbop.igovsolution.net/online/User\_login.aspx</a>), login using licensee's username and password, select "renew" and then "change of ownership" for type of application.
- If questions, contact the board before starting CHOW application process.

#### License Platform Username and Password

- Username and password will be required every time a licensee accesses the licensing platform.
- Retain username and password information. Write it down.
- If staff transition occurs, username and password should be accessible/passed to new staff member.

### License Verification

- To verify a license or print a primary source verification, visit (<u>License Verification</u>).
- Share the link and verification steps with anyone requesting verification of your license.
- A verification <u>is not</u> an entity's official license.

**Verification Steps** 

Select verification type

Select license type

Enter business license number as (XXX-XXXX)

Enter verification code

Do not complete any other fields; click Search, click print icon to view license details

### Medical Devices / Durable Medical Equipment (DME)

If device contains a prescription (legend) drug, a South Dakota license is required.

# **Report Discipline**

- Licensee may report discipline to board by email (<u>pharmacyboard@state.sd.us</u>).
- If discipline is reported by email, do not send a duplicate hard copy of information to board.
