

# Find a tick?

We can help you identify it.

HELP US UNCOVER SD'S TICK ECOLOGY

Fill out our  
**TICK ID  
SURVEY**  
and submit  
a photo

SCAN TO FILL OUT TICK ID SURVEY

South Dakota Department of Health  
DOES NOT TEST TICKS for  
tick-related illness or disease.

## Objectives:

- Understand which ticks are biting humans and animals
- Monitor the species distribution and expansion in South Dakota

## Ticks in South Dakota

**Blacklegged (Deer) Tick**  
(*Ixodes Scapularis*)

**Lone Star Tick**  
(*Amblyomma americanum*)

**American Dog Tick**  
(*Dermacentor variabilis*)
