F0000	INITIAL COMMENTS A complaint health survey for compliance with 42 CFR Part 483, Subpart B, requirements for Long Term Care facilities was conducted from 6/16/26 through 6/17/26. Areas surveyed included the facility's failure to follow a resident's care plan requiring two staff members to assist with transfers; failure to administer a physician ordered blood thinning medication to a resident and resident's use of compression stockings; failure to ensure a resident's call light was answered in a timely manner; and the completion of room repair activities while a resident remained in the room. Avantara Milbank was found in compliance.			F0000			

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
