

Search for Upcoming Education on the Public Portal Page

A feature of our E-Licensing System is a Public Lookup which will allow you to search for current/upcoming Education courses (EMT/EMR Courses, Continuing Education Classes, Refresher Courses or Specialty Courses).

To access the E-Licensing System home page, you can go directly to the site by clicking or typing in this address: <https://southdakota.imagetrendlicense.com/lms/public/portal#/login>, or you can access it by going to the EMS Program’s website: [EMS.sd.gov](https://ems.sd.gov) and clicking on the red box labeled E-Licensing Portal.

In the top left area of the E-Licensing page, click the “Education” button:

Accessing your account: If you are a current SD certified EMR or EMT, or previously held an EMR or EMT certification in South Dakota, you can log into your account below by entering your Username and Password. If you don't know or remember your Username or Password you can click the "Forgot Username" or "Forgot Password" links at the bottom of this page and enter your data in the required fields. The system will send you an email with your user name along with a password reset link. The automated email will come from a noreply@imagetrend address so if it doesn't come to your inbox, check your junk or spam folder.

Once you click the “Education” button described above, it will open a page where all the continuing education, specialty, refresher, initial EMR/EMT courses will populate that instructors have applied for that are current (as of the day you are searching for education) and future education. See example below:

Search for any upcoming training courses that have been approved. To view additional details about any course, click the arrow beside the course name to expand details, or click the course name to open a more complete course overview.

If On-Line Registration is allowed by the course instructor, when you open the course for more details you can click the "Register" button at the bottom of the page to have your name added to the course roster. If not, you can contact the instructor for more details of his/her course and if you will be able to attend.
