

Falling is **NOT** a normal part of getting older!

- 1** Have you fallen in the past year?
- 2** Do you feel unsteady when standing or walking?
- 3** Do you worry about falling?

If you answered **“YES”** to any of these key screening questions, contact your primary health provider (*nurse practitioner, physician assistant, doctor, chiropractor, etc.*) to schedule a fall risk assessment.

For more information about preventing older adult falls, please visit the South Dakota State Health website at <https://doh.sd.gov/health-care-professionals/ems-trauma-program/trauma-system/fall-prevention-coalition/>
