RESOURCES

MENTAL HEALTH APPS

211 Helpline: This app connects users to community resources in South Dakota. From quick questions to serious concerns, the free and confidential app brings resources to your fingertips.

Moodfit: Fitness for your mental health. Tracks your moods and provides articles and audio recordings to help you feel better. Provides customizable tools and insights to help you learn what works for you.

MindShift: Rather than trying to avoid anxious feelings, Mind Shift stresses the importance of changing how you think about anxiety. Think of this app as the cheerleader in your pocket, encouraging you to take charge of your life.

Meditation Oasis, Take a Break: Free app that helps you quickly recharge. Listen to a 7-minute Work Break or 13-minute Stress Relief recording with or without music or nature sounds.

SUICIDE PREVENTION APPS

Jason Foundation A Friend Asks: a FREE smart-phone app that helps provide the information, tools, and resources to help a friend (or yourself) who may be struggling with thoughts of suicide.

MY3: an app for those who are depressed or suicidal themselves. MY3 aims to keep you connected to your core network, asking you to choose three close contacts, such as friends, family, loved ones or your therapist, that you feel comfortable reaching out to whenever you feel down.
