

INTRODUCING THE VITAL RECORDS SERVICES PORTAL

The South Dakota Vital Records Services Portal is a convenient option offered to expectant parents and engaged couples for completion and submission of documentation required for birth and marriage registration.

PARENTS WORKSHEETS

Expecting a baby?

You can complete the Parents Worksheets online prior to delivery.

1. Select Parents Worksheet
2. Give us all the details!
3. Submit when finished

After your baby is born, the hospital will use the information on your completed Parents Worksheet to officially register the birth certificate within 7 days of birth.

MARRIAGE LICENSE APPLICATION

Ready to tie the knot?

You can complete the Marriage License Application online prior to visiting the Register of Deeds.

1. Select Marriage License Application
2. Tell us all about yourselves!
3. Submit when finished

After you submit the application, both applicants must visit the Register of Deeds office together, provide valid identification, and finalize the application. The Register of Deeds will use the completed application to create and issue a South Dakota marriage license that is valid for 90 days and must be returned to the Register of Deeds within 10 days of marriage.

We know all too well how busy life can get!
