Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patient. If a deficiency is cited as inapplicable, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is submitted. Any remaining deficiencies and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited as uncorrected, a plan of correction is requisite to continued program participation.
